

Discover the Noyce Teacher Scholarship

A challenging, meaningful way to use your math and science knowledge to help young people in need

Up to \$14,000 in scholarship available from the National Science Foundation

Good starting salaries: \$43,000 per 183 day contract

Bold way to start teaching or impressive addition to your resume

When to begin options:
student-teach as your IQP or immediately after graduation

America needs strong math and science know-how in every classroom.

Just two years of your teaching can really help.

- ◆ You know **math, science, and engineering**
- ◆ You are **motivated**
- ◆ You want to **make a difference** for kids in need

There's money and a program here for people like you.

What will you do right after graduation?

Check out the
**NSF-WPI Noyce
Teacher Scholarship**
in conjunction with the
WPI Teacher Preparation
Program
and provide academic
opportunities in high-need
districts
